VICTORIA L. N. IKEDA VS. ROBERT DALE GADDIS, DBA CONDOPLUS REALTY, CIVIL NO. H86-3908

Counsel reviewed issues on the case. Commissioner Takeya moved to pay from the Recovery Fund a total of \$1,726.30 for the claim against the licensee. The motion was seconded by Commissioner Yanagawa, voted and unanimously carried.

PAMELA WRIGHT VS. INTERISLAND PROPERTIES, INC., ET AL; CIVIL NO. 6869

Counsel reviewed the facts in this case: In 1975 Pamela Wright, plaintiff, and her husband entered into an agreement of sale with the licensees Interisland Properties, Inc. and Harry De Gregory. The licensees did not disclose that there was a mortgage on the property. The licensees forfeited their license as of January 1, 1979. On March 17, 1980 defendants informed plaintiff's then husband that defendants were not able to get clear title to said property with the final payment. Complaint was filed in March 31, 1981.

Counsel does not recommend payment because 1) plaintiff failed to provide all pleadings to the Commission; 2) plaintiff failed to file lawsuit (complaint) within

two years after the licensees' license was forfeited. The Commission will have to decide if they want to settle the matter and make payment or recommend no payment.

ALBERT K. KOBAYASHI, INC. VS. STEVEN M. ROSEN AND ELEANORE ROSEN VS. JAMES C CALABRESE AND JC REALTY INVESTMENTS, INC.; CIVIL NO. 70580

Counsel summarized case as follows: James C. Calabrese fka James C. Callan and JC Realty Investments, Inc. are licensed brokers and are the defendants. Steven M. and Eleanore Rosen are the recovery fund claimants and a third party plaintiff. The Defendants represented the seller, Kobayashi, and listed the subject property as over 10,247 sq. ft. The defendants prepared a DROA for the claimants on July 1980 that stated the subject property as 15,427 sq. ft.

In April 1982, the seller filed a complaint against the defendants and claimants seeking cancellation of the agreement of sale. Claimants filed a third party complaint in October 1983 against the defendants on misrepresentation of the square footage. The court found that the square footage was a typographical error. The complaint was not filed within two years. The claimants have a default judgement against the defendants with no findings of fraud, misrepresentation or deceit.
